How we intend to spend the grant

At Chittlehampton School we have:

- purchased specific software to assist children’s learning, i.e. Doodle
- purchased phonically decodable electronic reading scheme to support children who need specific catch up support
- bought in entertainers to address children’s well-being and self-esteem to empower them to be better learners
- additional TA support and HLTA cover to release teachers to run booster groups

How the effect of this expenditure on the educational attainment of these pupils at the school will be assessed

At Chittlehampton School we will assess the effect of this spending by:

- re-assessment by teachers when all children return to school after the second lockdown on 8th March 2021
- on-going teacher assessment throughout the term
- 6 weekly review of impact of interventions
- adjustments of interventions if necessary following reviews
- Targeted groups catching up to their peers or to where they were predicted to be before lockdown
